

# *the dress... felt amazing the whole day*

Hi there,

*I just wanted to say thank you to the staff at Isabelle's, our day went off to perfection! And my dress was no exception. A special thank you to Kasia who helped from the moment we walked in the store. The entire experience was very easy and hassle free which is incredibly refreshing for any soon-to-be bride!*

*Attached is a photo of the dress, which felt amazing the entire day!*

Best Regards,

Jennifer
